

*Winterfronts...Keep buses running
and disappoint school kids all winter*

BELMOR WINTERFRONTS

Belmor's heavy-duty reinforced vinyl Winterfronts are a cold weather necessity. Designed to OEM specs, they protect radiators and grills from snow and ice, helping school buses maintain optimum engine operating temperatures, while promoting driver comfort, even in sub-zero conditions. They install easily to bus fronts with snaps or turnbuttons (turnbutton hardware additional).

Don't get left in the cold. Contact your local dealer and order a Belmor Winterfront today. Also available at Bluebird and Thomas Built dealers.
